WILLIAM J. BUCKLEY, JR., P.E.
DIRECTOR OF PUBLIC WORKS / CITY ENGINEE

May 15, 2006

Honorable Mark D. Boughton
Common Council
City of Danbury
155 Deer Hill Avenue
Danbury, CT 06810

Dear Mayor Boughton and Common Council Members:

Parks and Playgrounds Safety Materials

As part of the Danbury Neighborhood Bond, funds were allocated to make safety and other improvements to City park and school playgrounds.

The City has hired Childscapes of 612 Plain Street, Marshfield, MA 02050 to provide and install over $400,000.00 worth of new playscape equipment that meets current safety codes.

Enclosed please find a copy of the 5/10/06 letter sent to me by Childscapes. Childscapes would like to donate to the City 500 children's safety coloring books, 10 sets of training manuals and safety video tapes and 2 sets of head and torso probes for playground inspections for school and other City personnel who supervise and maintain playgrounds. These materials are valued at $4,260.00.

We, hereby, request that the Common Council authorize the acceptance of these safety materials and sent a letter of thanks to Childscapes.

If you have any questions, please give me a call.

Very truly yours,

William J. Buckley, Jr., P.E.
Director of Public Works/City Engineer

C: Dena R. Diorio, with encl.

5-10-06

Mr. William Buckley
Director of Engineering
City of Danbury
155 Deer Hill Ave
Danbury, Ct 06810

Dear Mr. Buckley;

On behalf of Childscapes and Burke we very pleased to have been selected as the chosen supplier of playground equipment for the City of Danbury. It is obvious that your focus is on safety and play value for the various playgrounds in the City of Danbury. Your commitment to these issues is commendable and one that we share deeply. It is our pleasure to assist in your continued safety program by providing the following to the City of Danbury:

10 National Program for Playground Safety packets including training manuals and videos for all supervisory personnel, (all teachers should be required to view video).

500 coloring books for the schools to help make children aware of playground safety issues

2 sets of head and torso probes for playground inspections

The value of the above is $4260 and we are pleased to have this opportunity to provide these items to the City of Danbury. If we can assist in anyway regarding playground safety, please feel free to call upon us.

Very truly,

Wes Lee
