Motion still on floor from 9/12/12 re: discussion of Joe’s Plan of Reapportionment. Joe and Michael had some discussion before meeting. Safranek proposed modification to move a number of voters from 1-110 to Ward 7 (i.e. 7-110). Some members did not feel that moving too many voters over served the intent of the one man one vote principles if as a result, there was not a close enough population balance.

Question was called (to move the question). – all in favor.

Main motion on approval of Walkovich Plan – Joe/Larry aye, Michael, Bob, nay – Failed.

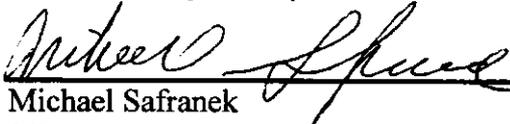

Walkovich noted that impasse was reached, there was no single plan but each member can present a plan separately if they wished.

Motion to adjourn by Joe, second Larry – failed for no third vote.

Safranek moved a Plan, second by King, nay from Walkovich/Riefberg – fails

More discussion on offering alternate Plans or revisions. R. King offered a Plan, no second offered for the motion.

Motion to adjourn by Safranek, second by Walkovich – Passed with Mr. King nay.

Michael Safranek
