Mayor Boughton and Danbury City Council,

I respectfully ask that you allow me to accept a donation in the amount of \$2,000.00 (2 thousand dollars) from Boehringer-Ingelheim. This donation is given to the department to support three members of the department in attending the International Hazardous Material Conference in Baltimore Maryland in May of this year. This conference, sponsored by the International Association of Fire Chiefs is a premier learning opportunity for our hazardous material technicians. The conference, held over three days, will present the industry best practices for fire department based hazardous material response teams.

Should you have any questions, please contact me.

Respectfully,

A handwritten signature in cursive script that reads "Geoff".
