

CITY COUNCIL-ADHOC COMMITTEE DOWNTOWN INCENTIVE PACKAGE
CAUCUS ROOM, 3RD FLOOR, CITY HALL
01-AUGUST-2012, 6:00PM

Chairman Stephen Darcy called the Committee meeting to order at 6:01 pm.

COMMITTEE MEMBERS PRESENT: Chairman Stephen Darcy, Joseph Cavo, and Peter Nero.

EX OFFICIO MEMBER: Duane Perkins

ALSO PRESENT: Mayor Mark Boughton; Robin L. Edwards, Assistant Corporation Counsel; David. St. Hilaire, Director of Finance; Dennis Elpern, Director of Planning; Bruce Tuomala, Director of Economic Development; Shawn Stillman, Neighborhood Coordinator; and Andrea Gartner, City Center.

Chairman Darcy made introductions and stated the purpose of the meeting and then asked Mayor Boughton to discuss the proposed ordinance changes before the committee. Mayor Boughton stated the changes being proposed have evolved from suggestions made by the Main Street Task Force. The purpose of these changes is to make it easier and more attractive to do business in downtown Danbury, where City infrastructure exists to support such development. He continued stating the ordinance changes and resolutions would decrease fees for Engineering, Fire Marshall, Building Permits, Hotels and Rooming, some Dining and Restaurant licensing, and Public Pools which are mainly associated with Hotels. In addition, the City would work with property owners to repair and replace sidewalks abutting private property. In regard to the sidewalks there is currently a great deal of inconsistency in the repair and replace which is now the responsibility of the property owner. The sidewalk resolution includes an incentive for property owners and/or tenants to keep sidewalks unobstructed and clean. Mayor Boughton concluded that it would allow for one additional employee for the UNIT specifically for downtown.

Chairman Darcy asked for Mr. Elpern to discuss the changes from a Planning perspective. Mr. Elpern stated that by making these changes the City Council would be sending a clear message that businesses are wanted and welcome in downtown Danbury. He gave a brief overview of the actions which had already been taken and stated that the fees and sidewalks were the issues to be addressed at this time to ensure the continued revitalization of downtown Danbury.

Chairman Darcy then asked Ms. Edwards to discuss the changes from a legal perspective. Ms. Edwards directed the committee to the specific language changes in the code of Ordinances section 11-2, 6.02, 11-7, and 17-7. She stated that in addition to these changes the committee should note a few scribner error corrections.

Chairman Darcy asked Mr. St. Hilaire to discuss the changes from a financial perspective. Mr. St. Hilaire stated that there are many variables but the cost of the city for the reduction in fees would not have a large impact.

Chairman Darcy asked Ms. Gartner to discuss the package from the perspective of City Center. Ms. Gartner stated that these changes fit in with their mission and the Guidelines of the National Main Street Preservation program. A short discussion ensued regarding the timing of the changes and if they apply to the Farmer's Market.

Mr. Cavo asked what the reaction from the merchants has been. Mayor Boughton stated that it has been positive to those who have attended recent meetings. He continued that there may need to be some marketing and/or outreach. A brief discussion about marketing the program ensued.

Mr. Cavo asked for a clarification of how the fees would apply to existing businesses. Ms. Edwards stated that there would not be any fees that were retroactive. However, going forward businesses that routinely pay fee for such services as inspections would be charged the lower fee, because the changes in fees take effect for all businesses in the Downtown Revitalization Zone. Mr. Elpern added that the City Council should only make these incentives available to businesses in the Downtown Revitalization Zone to promote development. A brief discussion regarding the fees and accounting took place.

Mr. Nero asked for a clarification between fee reduction and assessment deferrals. Mr. Elpern explained that the ordinance changes and resolutions would establish the fees where as assessment deferrals were determined on a case by case basis. A brief discussion regarding assessment deferrals took place.

Mr. Cavo moved to recommend to the City Council that the amendments to the Code of Ordinance in sections 11-2, 6.02, 11-7 and 17-7 be referred to a Public Hearing and to recommend that the resolutions regarding fee changes be adopted. Mr. Nero seconded the motion. A brief discussion took place. Vote, all in favor, motion unanimously approved.

As there was no further business before this committee Mr. Cavo moved to adjourn the Committee meeting. Mr. Nero seconded the motion. Vote, all in favor, motion unanimously approved. The meeting adjourned at 6:48 pm

Respectfully Submitted,

Stephen Darcy, Committee Chairman

Joseph Cavo
