Subject: Conveyance of Waterline Easement
Danbury Hospital/Parking Blue Garage
Hospital Avenue, Danbury, CT

Dear Mayor Boughton and City Council Members:

At the September 3, 2014 City Council meeting, the August 25, 2014 letter with attachments from Brian R. Smith, Esq., attorney for Danbury Hospital, requesting that the City accept the waterline easement for the new fire hydrant that extends from Hospital Avenue into the hospital property as shown on the easement map dated August 25, 2014 attached to Attorney Smith's August 25, 2014 letter was referred to our department for a report (reference item 8 of the meeting minutes).

This department has no objection to the City's acceptance of this water main/fire hydrant easement.

We recommend that the waterline easement be accepted by the City subject to the legal documents being acceptable to the Corporation Counsel's office.

If you have any questions, please feel free to contact this office.

Very truly yours,
