MEMORANDUM

To: Chief Alan D. Baker
From: Lt. Matthew McNally
Subject: **Police Explorer Monthly Activity Report – September 2015**

Again, this September was a very busy month for the explorers. In keeping with preparedness month and current world events, as we came into the 14th anniversary of the 9/11/01 terrorist attacks against our nation, our training and education focus for the month was aimed at disaster preparation, NIMS, CERT, and Homeland Security.

September 11th, 37 explorers and our explorer honor guard, along with several advisors participated in the annual **9/11 Memorial Service** held at the southern end of Elmwood Park on Main Street. Explorers assisted the police with manning traffic posts, blocking and re-routing traffic around the solemn service. Our Honor Guard presented colors with all the other honor guards.

On September 12th and 13th explorers and advisors were split into different squads/details to cover the many assignments associated with the **Taste of Greater Danbury** weekend events. These assignments commenced at 0700 on Saturday (9/12) and continued until approximately 2100 hours on Sunday (9/13). On Saturday explorers were at the Taste of Danbury securing the streets around the Danbury Green, assisting vendors to their vending locations, and assisting the assigned Special Events officers with crowd control/security duties. We did return on the 13th as scheduled and had 90 explorers work through various shifts and assignments during the weekend hours. Besides covering the three street entrances to the Taste of Danbury (as we have done since its inception), explorers and their advisors also took on other activities.

On Sunday, the weather was excellent and the turnout at the Taste of Danbury was very good. Explorers and their advisors secured from the Taste of Danbury at approximately 2100 hours after cleaning up and packing away all their equipment from the day's event.

It needs to be noted that on Saturday, while at the Taste of Danbury event, a Danbury Volunteer Fire Department truck backed into a street light pole, causing the pole to topple over near our explorers. They all ran, and one, Explorer Justin Cordero, was struck in the knee by the debris upon impact. His injury required medical treatment and he was transported by EMS to the Danbury Hospital ER. PO Cameron accompanied him and a motor vehicle accident report was completed by PO DeJesus from the shift. Cordero was treated and released on the same day for a laceration and knee injury. He did return to the Taste of Danbury on Sunday with his knee braced.

Also on Wednesday the 16th, there was the **DFD vs. DPD Charity Softball** game in Rogers Park. 23 explorers and all of the post advisors were in attendance. The explorer program was one of the charity recipients. The explorers assisted with traffic control and parking in the lots, as well as hawking items to raise money for the charities.

On the 19th and the 26th squads of explorers returned to the **Danbury Youth Soccer** parking detail every Saturday from 0700 to 1300 hours at the Old Ridgebury Road fields. Explorers are now opening and closing the fields, directing vehicles and assisting in parking them to maximize parking lot capacity, and assisting with keeping track of the small children (soccer players) to ensure their safety when moving through the parking lot, where visibility is limited. We have been sending an average of 10-12 explorers each Saturday, with an Advisor, who volunteers their time for that day. We rotate the youth and the advisors weekly. Explorers have been there every Saturday since.

On Sunday, September 20th fourteen explorers assisted with the **Fraternal Order of Police, Danbury Lodge #28 2nd annual Ride to Remember** motorcycle ride which started and ended that the Danbury PAL building on Hayestown Road. Explorers provided traffic control both in the parking lot and assisted the PD at various intersections within Northern Danbury.

Due to several explorers leaving for college and the military, as well as some internal house cleaning of those who have been absent more than allowed, we ended the month with 76 explorer cadets. We anticipate an increase coming in October with the new incoming Basic Explorer Skills Training class beginning at the end of the month. We will be holding a First Night open enrollment event near the end of October as well, where we will take in new candidates.

Respectfully submitted,

Lt. Matt McNally
