Dear Mayor Boughton & Members of the City Council:

The Fire Department has received a generous donation in the amount of \$7,500 for labor and equipment to install pipe and 2 manholes at our fire training facility.

This donation is given to us from Kenosia Development LLC. This work will assist the Fire Department with the development of the property.

I would ask that this generous donation be accepted at the February 2016 meeting of the City Council.

If you require any additional information, please do not hesitate to contact me directly.

Respectfully submitted,

T. J. Wiedl  
Fire Chief
