

10/19/16 – European Wax Center

European Wax Center believes everyone deserves beautiful skin that turns heads! The company offers a “4 Steps to Gorgeous™” process that will prep and pamper your skin for the most comfortable experience possible. They work towards the result of touchable, smooth skin that leaves you feeling absolutely gorgeous!

It was just May of 2016, that the European Wax Center opened its doors in Danbury. With their great reputation and many successful locations across the country, we are proud to have them join our community.

Samantha, the designated manager, is fully committed to making sure all of the guests leave feeling like their most gorgeous self, “with that extra little bounce in your strut,” she says. Check out all of their services online!

If you haven’t been to the wax center before, there are some perks to stopping by. Because of their confidence in your positive experience, any local in-state or tri-state resident can receive a complimentary first-time wax (brow, underarm or bikini line for the ladies; ear, nose or brow for the gents).

Samantha says that the people in Danbury have been nothing but welcoming since their recent opening. They can’t wait to meet more of our gorgeous residents and build further relationships with the community. The Danbury salon is located in the Nutmeg Plaza on Newtown Road.
