

10/5/16 – Mykonos Restaurant

Mykonos Restaurant has been serving the greater Danbury community since 1982. With traditional Greek dishes like mousaka and gyros, plus great pizza and the absolute best Greek salad around, Mykonos is a must-try family restaurant open seven days a week for lunch and dinner!

The establishment serves even more than their many authentic Greek dishes. Mykonos offers a great selection of Italian and American plates, plus a variety of wines from all three countries.

Mykonos also has new specials posted every day. It is definitely worth checking out their website where you can often find coupons or other special deals.

If you aren't looking to dine out, you can turn to Mykonos restaurant for delivery or catering for parties up to 500 people! Full menus with size options are available online.

Since their start in Danbury, Mykonos Restaurant has provided our community such a special Greek dining experience. The Filippakos brothers run this quality business with traditional food and excellent customer service. We are pleased that they chose Danbury to run their business and are glad they are continuing here today.

Oh, and don't forget to order dessert!
