

11/9/16 – SoHo Pizza

It was just 2005 when SoHo Pizza, a popular spot, was founded in Danbury. Bringing Nonna Maria's recipe with them, it was a team of 3 that established the welcoming atmosphere that brings authentic New York style to Danbury (and now Newtown!), without the busy commute.

From their gourmet thin crust pies to freshly made paninis, SoHo provides customers with a simple and affordable menu that does not diminish quality and gives you a happy variety. Some of their most regularly visitors are WCSU students who can reach their favorite pizza place in walking distance and not have to worry about breaking the bank.

Whether you are looking to sit down and have a bite or order some pies to go, SoHo Pizza will provide you with fresh, quality dishes. They also have a convenient ordering service right on their website.

SoHo is always open to receiving suggestions from customers in order to provide the best possible service at their two locations, so give it a try and let them know what you think!
