Re: Ambulance and Advanced Life Support Agreement
Danbury Health Care Affiliates and the City of Danbury

Dear Mayor and Council Members:

On August 6, 2003, the City of Danbury entered into an agreement with Business Systems, Inc. Under the agreement BSI provided ambulance and advanced life support services to the city. In 2004 that agreement was assigned to another wholly-owned subsidiary of BSI's parent company Danbury Health System called Danbury Health Care Affiliates ("DHCA"). By its terms our agreement with DHCA is set to expire on June 30, 2008.

In order to insure that the city and DHCA will be able to reach agreement well before that deadline, we recommend that you establish a committee to review the terms and conditions of an extension of our arrangement. Please consider this matter in the usual fashion.

If you have any questions, please let me know.

Sincerely,

Laszlo L Pinter
Deputy Corporation Counsel
