We work to put the "A" in ability - the Commission has many goals including focusing on the Abilities of those with disAbilities. The Commission was established to advise the Mayor and the Common Council of the needs of persons with disAbilities within the community with relation to housing, economics, employment, transportation, health, recreation and other matters. The Commission was formed by Sec. 2-56.13 of the City of Danbury Code of Ordinances. The City of Danbury Commission for Persons with disAbilities meets on the second Tuesday of each month, at Danbury City Hall, at 6:30pm. We do not meet in July and August.
