Bicycle Safety

Smart Bicycle Safety Tips:

- ❖ Protect your head- Wear a helmet at all times
- ❖ See and be seen- Wear visible clothes so motorists can see you
- ❖ Ride with the flow of traffic, not against it
- ❖ Look both ways- Always be aware of traffic around you
- ❖ Stay alert- Keep a look out for obstacles
- ❖ Beware of the dark side- Be cautious when biking at night
- ❖ Go off road- Follow designated bike routes if available
- ❖ Fit it up- Make sure your bicycle is adjusted properly
- ❖ Stop it- Check brakes before riding
- ❖ Don't flip your bike- Wheels should be securely fastened
