Stopping Hate Crimes

**SAY NO
TO HATE
CRIME**

Discriminating against someone because of his or her race, religious background, or other quality is wrong. You can do something to stop violence and prejudice. You can work to help change people's attitudes. Here are some tips to stop the hate:

ADULTS CAN...

- ❖ Set a good example by showing respect for others through actions, attitudes, and remarks
- ❖ Organize forums to examine possible sources of bigotry and hate violence in the community and brainstorm actions
- ❖ Raise public awareness that bias motivated incidents are crimes and should be reported to Law Enforcement
- ❖ After getting approval from the investigating Law Enforcement agency, immediately clean up any bias motivated graffiti. Paint a mural celebrating diversity in its place
- ❖ Work with schools, businesses, or community groups to sponsor poster or essay contests on "How bias related Crimes Hurt Our Community"
- ❖ Offer support to a co-worker or neighbor who has been a victim of a bias motivated crime

YOUNG PEOPLE CAN...

- ❖ Start a conflict resolution program in their school
- ❖ Say hello to, and have a conversation with, someone who may appear different from them
- ❖ Reject all stereotypes
- ❖ Report all incidents of discrimination or hate crimes to parents and teachers
- ❖ Start a peer education program to teach bias awareness to younger children
- ❖ Organize a community wide Day of Respect or Day of Dialog, in which all members in your community can share strategies to prevent hate crime
- ❖ Mentor a younger child
- ❖ Use their creative talents – sing, write, or paint to share positive anti-violence messages
- ❖ Start a school or town crime watch program
- ❖ Advocate violence prevention by writing to their local government representative and sharing their ideas
- ❖ Offer support to a classmate who has been a victim of a bias motivated crime
