Preparedness Guide for Travelers

We all enjoy going on vacations and look forward to the good times to be had. Knowing what to expect and being prepared for emergencies can make your trip both safe and enjoyable. Here are some tips to help you during your travels:

- ❖ As always, practice good crime prevention
- ❖ Carry one or two major credit cards and travelers checks rather than cash
- ❖ Never leave your bags unattended or out of sight
- ❖ Plan ahead. Allow extra time to go through the airport screening process
- ❖ Make sure you have a government I.D.
- ❖ Remember certain items such as liquids, knives, and other cutting instruments cannot be carried on board the plane
