Vehicle Theft Prevention

In the United States, a vehicle is stolen every 21 seconds. Don't become a victim of this serious crime. The Danbury Police Department has suggested the following tips to help keep your vehicle safe:

- ❖ Never leave your car running with the keys in the ignition when you are away from it, even for "just a minute"
- ❖ Always roll up the windows and lock the car even in front of your home
- ❖ Never leave valuables in plain view inside your car, even if it is locked
- ❖ Park in busy, well-lit areas
- ❖ Do not leave wallets, purses, passports, or other important documents inside your vehicle
- ❖ If your car is stolen or broken into, report it to the Police Department immediately and do not touch anything
