

**LAKE KENOSIA COMMISSION**

**Minutes of the October 22, 2012 Meeting**

Commission members present: Carol Elder, Sondra Grossi, Patty McCarthy, Regina Ofiero, Renee Paley-Bain, K.T. Shartouni

Commission members absent: Stella Eidt

Others present: Jack Kozuchowski, Toni Nabholtz-Huse, George Huse, members of the Conservation Commission

Chairperson Regina Ofiero called the meeting to order at 5:10 p.m. at the Farrington Property near Sanford's Pond. Jack led a hike down to the pond. Then the meeting resumed in the Main House.

Jack has written a draft proposal to upgrade this open space acquisition to an Open Space Park. He explained that there is still unallocated money left in the Open Space Bond that could be used to fund this upgrade. It would be a logical thing for the Lake Kenosia Commission to support, since Sanford's Pond drains into Lake Kenosia. It would also be a logical thing for the Conservation Commission to support, since Sanford's Pond is underutilized open space. However, Sanford's Pond could not be converted to a swimming area, since it is too close to Lake Kenosia. There are also DEEP grants available for these upgrade expenses. Oil tanks on the property would have to be removed, and a parking lot would have to be constructed. We should decide at the next meeting whether or not to support this proposal.

The minutes of the September 24<sup>th</sup> meeting were approved as written.

The next meeting will be held on Monday, November 26, 2012 at 5:30 p.m. Please let Regina know whether or not you will be attending. The meeting was adjourned at 6:45 p.m.

Respectfully submitted,

Carol Elder  
Secretary
