Lori, here's the posting for our December meeting.
Thank you

The regular scheduled Fire Pension meeting for December will take place on December 15 2011, at 10:30am in Jim Johnson's office at city hall. Among the discussions heard will be:

A request by Doris Benz to appeal her widow's benefit from one half pension to full pension under the Heart and Hypertension bill.

The state of QDROs for Rey Rodriguez and Bart McCleary.

Proxy votes for pension members.

If anyone has other issues to add to the discussion, please add them to this list and return to me.

Respectfully,
Fred Pollard
Secretary Danbury Fire Pension Board.
