COMMON COUNCIL

REPORT

November 9, 1989

Honorable Mayor Joseph H. Sauer
Honorable Members of the Common Council

Re: Appropriations and Bonding for Improvements to the
Wastewater Treatment System

The Common Council met as a Committee of the Whole on October 2, 1989 at 7:00 P.M. in City Hall regarding the above captioned matter.

The Chair advised the committee that since the State would not assist in financing unrelated items the Ordinance figure of \$80 million would have to be amended to \$78,300,000. This was in reference to a building not required within the expansion program.

Mr. Buckley was questioned by several Council Members who felt the contingency fund was high. Mr. Buckley advised the committee that it would be reduced by State requirements once real costs were in place. Other members questioned the bidding process. Mr. Buckley explained the bidding process is national in scope and includes advertising in proper trade publications. At this point he had no idea how many bids would come in.

Mr. DaSilva made a motion to amend the Ordinance to \$78,300,000. Seconded by Mr. Eriquez. Motion carried with Mr. Moran abstaining.

Mr. Connell made a motion to recommend to the full Common Council the adoption of the Ordinance as amended. Seconded by Mr. Eriquez. Motion carried with Mr. Moran abstaining.

Respectfully submitted,

JAMES E. NIMMONS, Chairman

Re: Appropriations and bonding for improvements to the
Wastewater Treatment System

Dear Mayor and Council Members:

Please find enclosed materials prepared by Attorney Frank D'Ercole for your consideration in connection with the above. As you know, the proposed Modification to the Stipulated Judgement between the City of Danbury and the State of Connecticut forwarded to you as an attachment to my letter of August 21, 1989 requires that, "Not later than October 30, 1989, the Common Council of the City of Danbury shall appropriate moneys...in an amount sufficient to undertake and complete the water pollution control project approved by the Commissioner of Environmental Protection...." See paragraph 6 on page 4 of the proposed Modification. Mr. D'Ercole's proposed ordinance is intended to comply with that requirement.

In order to assure that your actions are taken in the proper sequence, Mr. D'Ercole's proposed ordinance may now be sent to committee or to public hearing; however, it should not be approved until the Modification to the Stipulated Judgment has been acted upon by the court.

If you have any questions please contact me.

Sincerely,

Eric L. Gottschalk
Assistant Corporation Counsel
