Your Honor I would like at this time
to second the nomination of Council woman
Mc Manus for Council President. I am not so
sure some of my colleagues are aware
of the many times Mrs Mc Manus has taken
people to task for trying to slight the
Council or for accusing the Council of a
wrongdoing which we had no say or choice in.
I could go on & on & list all of Mrs Mc Manus's
accomplishments but we are all aware of them.
The thing we should all keep in mind is Mrs
Mc Manus's willingness to help her colleagues
in a time of need whether its Council business,
Politics in general or of a personal nature.
Mrs Mc Manus is one of the most active &
dedicated Council Presidents in Danbury's history
& therefore I urge my colleagues to vote for
& support her 100%.

11/10/85
Thank you Your Honor.

Honorable members of the Common Council:

I have been impelled to nominate Connie McManus to the post of Council President because she has the qualifications I believe we need in this office.

Her wide experience which she has acquired over the past four years as Council President, in meeting with the public while representing both the Mayor and the Common Council at community and civic functions, has done much to broaden her leadership ability and elevate the level of her courage, wisdom and sense of justice.

She has always demonstrated a willingness to strengthen and expand the lines of communication between the Common Council and other areas of city government,

in performance of the legislative process for the city of Danbury.

No community effort has ever been too trivial nor has any task appeared too formidable, to prevent Connie from supporting action which would be in the best interest of the city of Danbury. Yet she has a friendly out-going personality, and is a woman of wisdom and demands the respect of all who know her.

I have had the privilege of serving with Connie over the past six years, and I can think of no one who personifies a greater sense of compassion, thoroughness, patience and last but not least — accessibility. There must be accessibility, for no Council President can afford to be without accessibility.

and still function effectively.

I urge all of my colleagues to join me in re-electing Connie McManus to the office of Council President, thereby insuring the continuance of effective, progressive leadership from a person who is uniquely qualified in this area, and who possesses an unparalleled level of dedication to public service - CONNIE McMANUS !!!

Thank you very much.
