Honorable Members of the City Council  
City of Danbury, Connecticut

Subject: Donation of surplus medical items to Share Joy.

Dear Members of the City Council:

There are many surplus medical items (including comodes, walkers, crutches and canes) currently stored in the basement of the "Old Jail" at 80 Main Street.

The City's Purchasing Agent Chick Volpe and The Hamilton Group, the city's contracted appraiser/auctioneer, have found that these items have no value to the city.

Consequently, we have found a Ridgefield-based 501(c)3 organization, Share Joy, that will pick up and ship these items to Haiti as part of a larger project they have to help hurricane victims in that country.

We ask that you approve our intent to give these surplus medical items to Share Joy.

Thank you for your consideration of this matter.

Sincerely,

Mark D. Boughton  
Mayor
