Re: Donation from Danbury Latino Softball League

Dear Mayor Boughton and Council Members:

The Parks and Recreation Department has received a donation of materials and labor to go towards improvements needed on softball field #1 in Rogers Park. The scope of work is to reset benches in concrete and build dugouts. All of the work will be done by members of the Latino Softball League. Value of project is \$5,000.00.

I request that this generous donation be accepted at the next meeting of the City Council.

If you require any additional information please do not hesitate to contact me.

Sincerely,

  
Nicholas Kaplanis  
Director of Recreation
