Re: Request for Permission – Disposal of Surplus Ambulance

Pursuant to the requirements set forth by Section 2-153 of the Code of Ordinances, I am requesting your permission to sell a 1993 Ford E-350 Ambulance, which has been declared surplus. The present value of this ambulance has been estimated at approximately \$5,000.00. The City has an existing contract for auctioneering services, and the intent is to dispose of this item to the highest bidder via an on-line auction.

If you have any questions, please feel free to contact me.
