Re: Donation from Connecticut Bass Federation Nation

Dear Mayor Boughton and Council Members:

The Connecticut Bass Federation Nation would like to donate a commemorative bench in memory of two of their passed members. It would be located at Candlewood Town Park the site of many of the club's fishing tournaments. They will be responsible for installation once the bench is fabricated. Estimated value of the bench is \$2,800.00

I request that this generous donation be accepted at the next meeting of the City Council.

If you require any additional information please do not hesitate to contact me.

Sincerely,
