Re: Sewer Line Extension, 60 Shelter Rock Road

Dear Mayor and Common Council Members:

I am writing to request an extension of your approval, originally given at the Common Council meeting on October 9, 2007, and extended once. My neighbors, Frank Mariano of Sympaug Properties, owner of property abutting ours to the south, and Michael Cardillo, owner of property abutting ours to the west, and I have been working with our engineers to complete a design that meets the criteria of the Danbury Engineering Dept. The Engineering Department review is now complete and approval has been granted. We are ready to start construction.

Thank-you for your time and consideration.

Sincerely,

Stuart L. Longman
