Honorable Mark D. Boughton, Mayor
City Council
City of Danbury
155 Deer Hill Avenue
Danbury, CT 06810

Dear Mayor Boughton and City Council Members:

Sanitary Sewer Extension (Assessment Method)
Juniper Ridge Drive
Project No. 10-22

The mail survey soliciting input from those property owners who would benefit from the extension of the City's sanitary sewer system to the above mentioned area has been completed.

A comprehensive package that explained the sanitary sewer assessment process was mailed to benefiting properties along with the mail survey.

An additional reminder was sent out to those who hadn't responded to our initial survey letter and follow-up telephone calls were also made. The results of the survey are as follows:

Comparison of results by number of lots:

No -----	5 (63 %)
Yes-----	1 (12 %)
No response -----	<u>2</u> (25 %)
	8 - Total number of lots in survey

A color-coded map showing how the owners of the lots that would be served voted has been attached.

At this time, the City of Danbury Health Department has no outstanding notices of violation in this area.

If you have any questions, please feel free to contact me.

Very truly yours,

Farid L. Khouri, P.E.
City Engineer
