Re: Donation from Danbury Adult Softball Leagues
Dear Mayor Boughton and Council Members:

The Parks and Recreation Department has received a request from the Danbury Adult Softball Leagues to construct dugouts for each of the 3 fields designated for softball at Rogers Park. There are currently five leagues comprising of 150 teams that play throughout the summer months at the park. Building of the dugouts would be a vast improvement to what currently exists, an added safety feature for the players as well as eliminate some of the drainage issues after a heavy rain. The value of this donation will be approximately \$9,000.00 and would be shared by all the softball leagues playing at the park.

I request that this generous donation be accepted at the next meeting of the City Council.

If you require any additional information please do not hesitate to contact me.

Sincerely,

Nicholas Kaplanis
Director of Recreation
