Re: Generous Anonymous Donation to the Still River Greenway for Five Year Period

Dear Mayor Boughton and Members of the Council:

The City of Danbury has recently received a donation, in the amount of \$500 / month for the next five years (total \$30,000) for the Still River Greenway.

The donor is a local businessman who has requested to stay anonymous. This donation is a result of the efforts of our consultant (Jack Kozuchowski) in recruiting "Still River Greenway stewards" for the long term promotion and maintenance of the Greenway.

Each steward has been recruited to adopt a section of the Greenway or to adopt a function that will sustain the Greenway over time. This anonymous donation will support a 5 year inspection and maintenance process aimed at keeping the Greenway vibrant for the Danbury and greater Danbury community.

I respectfully request that the City Council accepts this donation.

Respectfully Yours,

Scott LeRoy  
Director of Health & Human Services
