Sue;

I would like to relieve LoCIP project 7700.085 HVAC lib/old lib estimated at \$92,582.00. While this project is important, there is another project slated for this year (old lib elevator \$92,400) that I need to perform in its place. The urgency is to get the elevator back in service so there is access to the second floor. Please let me know what you need to allow this to happen.

Many thanks for all your help.

best regards,
