Dear Mayor Boughton and City Council Members:

**Sanitary Sewer Main Extension
1 & 3 Scuppo Road**

As per Sec. 16-6.1 of the Code of Ordinances, at the April 4, 2013 City Council meeting, the application for a sanitary sewer extension to serve the above noted properties (Tax Assessor's Lot Nos. The proposed sanitary sewer main extension is acceptable to us subject to the approval of the final engineering plans and documents.

If the City Council approves the application, the approval should be subject to the City's standard eight (8) steps/conditions. A copy of the standard eight (8) steps/conditions is on file in the office of the City of Danbury Legislative Assistant.

If you have any questions, please feel free to contact this office.

Very truly yours,
