RE: Naming of Armed Forces Reserve Center - Danbury

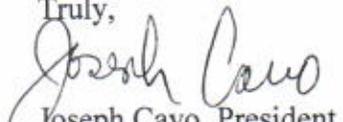

Dear City Council Members:

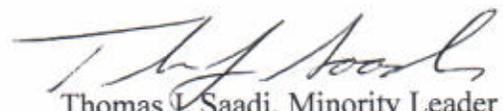

As you know the new Armed Forces Reserve Center is under construction on Wooster Heights Road in Danbury. This Center is not only important element of the recent realignment and strengthening of our National Defense system but is a valued addition to our community.

In conjunction with construction of the Center the 99th Regional Support Command is in the process of accepting recommendations for the naming of the Center. As such, we submit for your consideration the attached Resolution supporting the naming of the Center as the "**Veterans Memorial Armed Forces Reserve Center**". This name has the support of Danbury's 411th Civil Affairs Battalion, Mayor Mark Boughton and the Danbury Council of Veterans. It is a name which recognizes the contribution of all Veterans of every branch of the military throughout our Nation's history.

We hope you will support this Resolution and please feel free to contact us with any questions.

Truly,

Joseph Cavo, President
