Re: Redevelopment Parcel 9 (32 Patriot Drive)

Dear Council Members:

The City is moving forward with plans to develop and operate the last remaining downtown redevelopment parcel. With the support of the Downtown Special Services District, we intend to erect a skateboard park on the .6 acre parcel, which is across from the ice rink on Patriot Drive.

The Redevelopment Agency has modified the Redevelopment Plan to allow this use of Parcel 9, subject to the Council's approval of the transfer of title to the property from the Redevelopment Agency to the City. I respectfully request the Council to approve the conveyance of Parcel 9 from the Redevelopment Agency to the City of Danbury. Please submit this request to the Planning Commission for a report.

Thank you for your cooperation.

Sincerely,
