Re: Storm Drainage Easements – Farm Street and Beckerle Street

Dear Mayor Boughton and Common Council Members:

The following easements are required to alleviate an outstanding drainage and flooding problem in the vicinity of the Farm Street and Beckerle Street neighborhoods. The work will involve installing storm drainage pipes and catch basins along with a headwall and riprap. The easements required are as follows:

1. Tax Assessor's Lot No. H10041 Foo Wing Fong and Xiang Ling Fong, 30 Farm Street
2. Tax Assessor's Lot No. H10040 Augusto DaSilva Enterprises, LLC, 32 Farm Street
3. Tax Assessor's Lot No. H10046 Monique Vidro and Zoilo Vidro, 31 Farm Street
4. Tax Assessor's Lot No. G10129 Augusto DaSilva Enterprises, LLC, 25 Beckerle Street
5. Tax Assessor's Lot No. H10026 Cleberson Pereira and Rosilda Lima, 27 Beckerle Street
6. Tax Assessor's Lot No. H10057 Kenneth C. Newton and Erika M. Newton, 74 Golden Hill Road

We would appreciate if you would authorize the Corporation Counsel's office to take the steps necessary to acquire these easements. Complete descriptions of the easement maps and legal descriptions along with the design plan are on file in the Legislative Assistant's office for your review.

If you have any questions, please give me a call.

Sincerely,

Farid L. Khouri, P.E.
City Engineer
