Re: Proposed Amendment to Chapter 12, Section 12-14 the Noise ordinance.

Dear Council Members:

Our offices have recently received a large number of complaints about disturbing and noxious noise emanating not only from moving and stationary motor vehicles, on streets and roads, but also from places of business in neighborhoods around our community. We need to examine adjustments to this law to address these problems for the good of our City while balancing our citizens' rights to their freedom of reasonable activity.

Please refer this request to a committee at which time various options can be presented and discussed. Feel free to contact my office with any questions or concerns.

Sincerely,

Mark D. Boughton
Mayor
