Re: Advisory Report on Compromise or Settlement of Litigation

Dear Mayor and Council:

Pursuant to City Charter Section 6-4 as amended and adopted in 2009, this report is filed to advise the City Council that a matter has been settled and compromised within the limits and coverages of the policy(ies) of insurance of the City of Danbury. Said section requires only that a report be filed with this Body subsequent to the compromise or settlement without the need for further action. However, should you wish to inquire further regarding this final settlement, the matter should be sent to executive session for such purposes.

Briefly, the matter involves a Notice of Suit involving an incident of enforcement of public safety. The resolution involves minimal expenditure and all parties are favorable to this rapid resolution and disposal of the matter.

Kindly receive this communication, either on consent calendar or simple adoption.

Very truly yours,

Robert J. Yamin,
Corporation Counsel and
Chief Legal Officer
