March 21, 2016

TO: Honorable Mayor Mark Boughton and Members of the City Council

FR: Scott LeRoy – Director of Health and Human Services 

RE: Donation to the City's Emergency Evening Shelter 

The City of Danbury's Emergency Evening Shelter has received a very generous donation of \$1350.00 from Immaculate High School's student contribution and fundraising efforts.

This donation will be used for the basic operation costs of the Emergency Shelter for our community home clients; including supplies, food items, cleaning products, utilities, etc...

The Emergency Evening Shelter will continue to provide necessary support services for homeless men and women, and continual assistance for our homeless veterans on a daily basis.

We request your approval and acceptance of this needed donation.
