**MEMORANDUM**

To: Chief Alan D. Baker  
From: Lt. Matthew McNally  
Subject: **Police Explorer Monthly Activity Report – March 2016**

March was a busy month for the explorers. Annually it heralds the beginning of the busy season for our post, with special events beginning to take place with the change of the weather. This year was no different than the past few years.

This month the program held its *Annual Awards Night Dinner Dance* on Saturday, March 12<sup>th</sup> at Anthony's Lake Club. This year's theme was police television shows from the past and present. The public was welcome and encouraged to attend this semi-formal event, where we honor our explorers and advisors for their work during the preceding year. It is also the time when the Post changes its youth executive board through elections which take place preceding the awards night. The annual awards dinner was again a success. Over 150 people were in attendance.

Many explorers received awards after dinner for their hard work over the past year, their tenure, training etc. The past year, 2015, was a busy one for the post and we have also witnessed an influx of new explorers this year. We have only a handful of older seasoned explorers in the program at this time. We also said goodbye to 3 explorers who have been with the post for a long time, as they have "aged out". Explorer Chief John Duron (9 years); Explorer Deputy Chief Erica Cajamarca (8 years) and Explorer Captain Tenika Campbell (4 years) were each presented Honorable Discharge certificates.

New Post Officers for 2016

Some scenes from the Awards Dinner

On the 20th, our explorers were prepared to work the annual *St. Patrick's Day Parade*. The parade was canceled due to pending inclement weather

In addition during this month on the 23rd, P.O. Antedomenico, P.O. Cameron and I attended the monthly *Cadet Police Academy Executive Board* meeting at the CT Police Academy. The major focus of this meeting was the costs associated with the academy as prices continue to rise. The size of the CPA continues to grow, even as the price to attend increases to \$475 per cadet for the week. Also, we have had a steady loss of adult personnel who work at the academy.

We also discussed a proposal that I brought forward about combining the North East Regional Law Enforcement Education Association board of directors with the Cadet Police Academy Board. This may help to streamline duplicitous work effort, while lowering administrative costs associated with both boards. Both boards will be holding a future joint meeting for discussion on this idea. Both boards have seen vacancies develop, as members retire and leave the state, and there are not a lot of volunteers stepping up to fill the vacant positions.

The explorers are continuing with the training and preparation for the upcoming Stations Day Competition at the Connecticut Police Academy on Saturday, May 7<sup>th</sup>. They are also working towards the travel team being

prepared for the National Law Enforcement Exploring Conference in Flagstaff, AZ in the beginning of July and the Cadet Police Academy in the end of July.

Requests for explorers to assist with various special events throughout the city are increasing as we move into the Spring 2016 season, filling in most weekends with walk-a-thins, 5k runs, soccer detail, and various other community events where the explorers are requested to assist with traffic, crosswalk, and minor crowd control duties. April through July is jam packed with explorer “super events” already.

As the month drew to a close, we had approximately 86 explorer cadets enrolled in the program. Our program continues to grow without any recruiting effort, and we continue to max out all of our resources as of this report.
