Dear Members of the Council:

I submit for your consideration the attached resolution regarding the renovation for the Richter House. This resolution will enable the City to accept \$1,000,000.00 in financial assistance from the State Department of Economic and Community Development. The proposed renovation will remake the facility enabling increased handicap accessibility and provide much needed updates.

Plans for the renovation have been drawn up and once this funding is in place design work for the proposed renovations can begin. Therefore it is respectfully requested that this resolution be approved this evening in order to keep the process of receiving this assistance moving forward.

Thank you for your consideration in this matter.

Truly yours,
