7/20/16

To: The Honorable Mayor Mark Boughton and the City Council
From: Scott LeRoy, Director of Health & Human Services
Re: Waste Management Grant for funding Homeless Shelter Operations

I am writing to request approval to apply for and accept funds from the Waste management Company for \$10,000 in funds for the City's Homeless Shelter by August 31, 2016. For the funding year of 9/1/2016 till 8/31/2017. The Grant Application is competitive and does not require a local match.

These Grant Program Funds are necessary due to the State of CT rescinding the original grant of \$117,000 Operations Grant for the 2016-2017 Fiscal Year. These new grant funds would allow the City of Danbury's Homeless Shelter to keep its current evening 365 day / year programming while paying for any operational need.

If you have any additional questions, please contact me at 797-4625. Thank you.

Sincerely,

Scott T LeRoy MPH, MS

RESOLUTION

10-1

CITY OF DANBURY, STATE OF CONNECTICUT

_____A.D. 2016

RESOLVED BY THE CITY COUNCIL OF THE CITY OF DANBURY

WHEREAS, Waste Management Company has made grant applications eligible for funds available to operate our Day Shelter and Evening Homeless Shelter Operations; and

WHEREAS, the City of Danbury wishes to make application to Waste Management for the proposed \$10,000 grant to be used for said purpose; and

WHEREAS, if said application is approved, the City of Danbury wishes to accept said funds and services.

NOW, THEREFORE, BE IT RESOLVED THAT Mayor Mark D. Boughton and/or Scott LeRoy, Director of Health & Human Services, is hereby authorized to apply for the aforesaid grant and if said application is approved, to accept said funds and execute any agreements or other documents necessary to effectuate the purposes hereof.

Charitable Giving

Healthy thriving communities depend on involved citizens, organizations and corporate partners for momentum. We lend our support and services to causes that promote civic pride, economic development and revitalization. Every community has its own challenges, and we strive always to be part of problem-solving initiatives.

Giving Guidelines

These guidelines outline the programs that Waste Management is most motivated to support:

Environment - The environment affects all aspects of our lives, from the air we breathe, to the way we power our homes, to the parklands in which we play. Waste Management is committed to helping provide renewable resources to reduce our dependence on fossil fuels, and to conserving and maintaining wetlands, wildlife habitats and green spaces for people's enjoyment. Understanding the importance of the environment, Waste Management supports organizations and programs that preserve and/or enhance natural resources.

Environmental Education - The key to ensuring the preservation of the environment is learning about the importance of protecting it and acting in an environmentally responsible manner. To this end, Waste Management prefers to support environmental education programs targeted at middle and high school students. This includes environmental and science related projects, science fairs, Earth Day projects and others.

Causes important to the areas where we operate - Waste Management is committed to enhancing our communities through programs that help make them cleaner and better places to live. Local Waste Management facilities are proactive in identifying charities located in the immediate community that they serve and in many cases may have predetermined which organizations they will be supporting that year.

WM Preferences

The Waste Management Charitable Contributions program provides support to organizations that are duly certified by the state in which they operate and are in receipt of an IRS ruling that they are classified as a 501(c)(3) organization or public organizations where any donations requested will be used exclusively for public purposes. We target our support to specific projects or programs that enhance the scope of services offered by an organization. WM prefers not to financially support operating costs, capital campaigns, or multi-year requests. Preference is also given to organizations, which have a broad base of funders, community partners and volunteers.
