Dear Mayor Boughton and Members of the City Council:

The Health & Human Services Department requests that the City Council review and approve the attached donation of \$7,500 from our service partner Western Connecticut Health Network.

Once accepted, this donation would be placed in account 4000.6100.0002 titled *Donations to the City Homeless Shelter* to be used for any Shelter needs created by the State of Connecticut initially rescinding our grant funds of \$117,000 for this fiscal year.

Dear Scott,

Leadership at the Western CT Health Network are very disappointed to learn of the state budget cuts affecting services at the Danbury Day center and New Street Homeless Shelter. In support of our longstanding relationship, collective mission and WCHN's vision to improve the health of our communities, the Western CT Health Network is hereby donating \$7500.00 to supplement services at the New Street facilities (exclusively).

Please let me know what you need from me to proceed with this donation.

Many thanks,

Andrea Rynn
