A Point of Entry and Coordinated Access Success Story  
(Names changed to maintain confidentiality)

Winnie, her 81-year-old mother, daughters (16, 11), and 9-year-old son were connected to ARC through 211's **Coordinated Access Program**. Winnie and her family were at imminent risk of homelessness and in the process of being evicted by their Landlord. Winnie came to ARC to seek *assistance with housing, and accessing social service programs*. ARC's *Housing Advocate* met with Winnie to conduct an intake to qualify her for case-management and housing referral assistance. Winnie and ARC's *Housing Advocate* engaged in budget coaching, and apartment connection. ARC's *Housing Advocate* also assisted Winnie in applying for services at CAAWC.

ARC's *Housing Advocate* served as *a guide and support* in finding *safe, secure, and sanitary housing*. Winnie was *rent ready*, and able to move in within 3 weeks of her *housing assessment* at ARC.

ARC's *Housing Advocate* met with Winnie and her landlord and conducted an *inspection* to ensure the *safety and security* of the apartment. ARC assisted with the *Security Deposit*. On the day of move-in, ARC reviewed **Tenant's Rights/Responsibilities**.

ARC's *Housing Advocate* set-up a *care plan* for Winnie's *housing and case-management* needs. ARC's *Housing Advocate* also served as a *referral source* by connecting Winnie to CAAWC for energy assistance. Furthermore, Winnie and her family were referred to Danbury's Women's Center for counseling due to previous domestic violence exposure.

Winnie and her family are grateful for the *support, assistance, and advocacy* ARC provided. They were also provided with a **Welcome Basket** which includes bathroom and kitchen items (valued at \$125). Winnie is looking forward to continued support and *case management* from ARC.
