**Re: City of Danbury and Town of Bethel
Interlocal Sewer and Water Agreement**

Dear Mayor Boughton and Common Council Members:

The City of Danbury and Town of Bethel are currently negotiating an amendment to the existing interlocal agreement to provide sanitary sewer service to Danbury properties located on Payne Road and to allow interconnections of Danbury and Bethel water systems. We ask that the Common Council consider reviewing this item in committee at the earliest opportunity, at which time we will present the details of these negotiations.

If you have any questions, please do not hesitate to call.

Sincerely,

**Antonio Iadarola, P.E.
Director of Public Works**
