On April 17, 2008 I was traveling through Danbury with my two mini poodles. I had a small accident that put me in the hospital overnight. I was frantic when I was told I had to stay in the hospital because I didn't know what would happen to my dogs. Thankfully Danbury has a good system for just such situations.

I was so worried about them and when I came to the shelter to get them, they were calm, well taken care of, and basking in the sun, thanks to you.

I appreciate the service very much and I am enclosing a donation to your department to help carry on your very valuable service. Thanks.

Sincerely,

Irma Bader
