Re: Donation from Danbury Adult Education

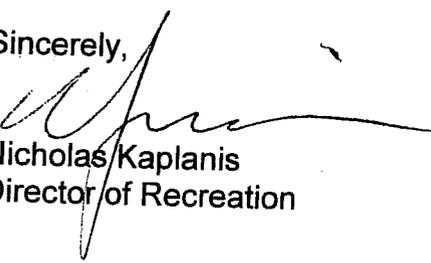

Dear Mayor Boughton and Council Members:

The Parks and Recreation Department has received a donation from the Danbury Adult Education Office in conjunction with their Community Services Program. They will be donating and planting four Japanese maple trees at Candlewood Town Park. This will be done under the supervision of the Forestry Department. Estimated value of the trees is \$300.00

I request that this generous donation be accepted at the next meeting of the Common Council.

If you require any additional information please do not hesitate to contact me.

Sincerely,

Nicholas Kaplanis
Director of Recreation
