Re: 8-24 Referral/July '08 CC Agenda Item #22 - Request for Water Extension  
at 20-22 Old Ridgebury Rd.

The Planning Commission has received a request from the Common Council for a report pursuant to CT General Statutes/Sec 8-24, regarding the above referenced item.

At the July 16, 2008 meeting, the Planning Commission made a motion to give this a positive recommendation subject to compliance with the standard City Engineering Dept. conditions and submission of plans and documents satisfactory to Corporation Counsel. The Commission also suggested that additional safeguards should be included to prevent pollution, since this site is located in the Class II Lake Kenosia Watershed Area.

Honorable Mark D. Boughton, Mayor  
Common Council  
City of Danbury  
155 Deer Hill Avenue  
Danbury, CT 06810

Dear Mayor Boughton and Common Council Members:

Proposed Water Main Extension  
20-22 Old Ridgebury, Road

As per Sec. 21-21 of the Code of Ordinances, at the July 1, 2008 Common Council meeting, the application from Joseph Putnam for a water main extension to 20-22 Old Ridgebury Road (Tax Assessor's Lot No. C15010) was referred to the Engineering Department for a report (reference is made to item 22 of the meeting minutes).

This department has no problem with the approval of this extension subject to the standard eight conditions of approval. If the Common Council approves this request, we will work out the details of the proposed extension with the developer's engineer.

If the Common Council is of the opinion that an ad hoc meeting or additional information is warranted relative to this request, please feel free to contact me.

Very truly yours,

Farid L. Khouri, P.E.  
City Engineer
