Re: Request for Authorization to Accept Donation of
Fiber Optic Cable from Federal Correctional Institution (FCI)

Dear Mayor Boughton and Common Council Members:

Officials from the Federal Correctional Institution (FCI), located on Pembroke Road in Danbury, have contacted Deputy Police Chief Terrence Shanahan and informed him that they have a surplus of 1,500 feet of 24-Strand, Single Mode Fiber Optic Cable worth \$3,000.00 and would like to donate it to the City of Danbury.

The Traffic Unit of the Engineering Department utilizes such cable for synchronization of traffic signals, as well as interconnection of various municipal buildings to achieve a Wide-Area Network (WAN) system for the municipal computer system. We would appreciate authorization of the Common Council to accept this donation and send a letter of thanks.

Sincerely,

Farid L. Khouri, P.E.
City Engineer
