FARID L. KHOURI, P.E.
CITY ENGINEER

Honorable Mark D. Boughton, Mayor
Common Council
City of Danbury
155 Deer Hill Avenue
Danbury, CT 06810

Dear Mayor Boughton and Common Council Members:

**Sanitary Sewer Extension (Assessment Method)
Short St., Lombardi St., and Concord St
Project No. 08-30**

The mail survey soliciting input from those property owners who would benefit from the extension of the City's sanitary sewer system to the Short Street, Lombardi Street and Concord Street Area has been completed.

The results of this survey were compiled on October 22, 2008 with the following results:

Yes -----	9	(50.0 %)
No -----	5	(27.8 %)
No response -----	4	(22.2 %)
18 Total number of lots in survey		

A color coded map showing how the owners of the lots that would be served voted has been prepared. The map is available in my office for review.

It should be noted that 5 of the 9 "yes" votes are from properties owned by the same people.

Hopefully, this information will assist you in your deliberations as to whether this sanitary sewer construction project should go forward.

If you have any questions, please feel free to contact me.

Sincerely,

Farid L. Khouri, P.E.
City Engineer
