Re: Common Council Report for Permit Center and Building Department

On behalf of the Permit Center and Building Department the following report is submitted for your review. This report is for the period of October 1st to the 30th 2008. The report consists of statistical data on applications with their associated permits. Included in this month report are charts showing the breakdown of statistics by Residential, Commercial, Permit types. I have also attached my standard text type reports. These data reports will compare this month's statistics with the previous year.

Report Outline:

Permit type = Type of subject permit.

Valuation = is the cost of construction for permit type.

Issued = Number of permits issued of that permit type

Fees = Amount of monies collected for permit type.
