Mayor Mark D. Boughton
Members of the Common Council

Re: **Request for Water Extension – 1001 Crows Nest Lane**

The Common Council Committee appointed to review the request for water extension at 1001 Crows Nest Lane met on July 20, 2004 at 6:30 P.M. in the Third Floor Caucus Room in City Hall. In attendance were committee members Esposito and Basso. Also in attendance were Director of Public Works William Buckley, the petitioner Ben Doto and Council Members Cavo, Riley, Saracino and Visconti.

Mr. Esposito noted the positive recommendation from the Planning Commission. Mr. Buckley stated that water was extended up Crows Nest Lane in 1984 or 1985. There is ample water. This is a simple extension and he would recommend approval subject to the required eight steps. Mr. Doto stated that he would be building 20 condominium units.

Mrs. Basso made a motion to recommend approval of the request subject to the required eight steps. Seconded by Mr. Esposito. Motion carried unanimously.

Respectfully submitted,

JOHN J. ESPOSITO, Chairman

THOMAS J. SAADI

PAULINE R. BASSO
