RE: Donation of Landscaping to City of Danbury

Dear President Nolan and Members of the Common Council:

I am writing on behalf of the members of the Board of Trustees of the Fourth Ward Community Revitalization Fund to request your acceptance of a donation of \$10,000 of plantings and landscaping services on land abutting the Danbury Fire School.

The plantings and landscaping work, scheduled to start, with your approval, in mid-October, will serve as natural screening and beautification of the area.

The Trustees look forward to working with you and the City to continue to protect and improve the quality of our neighborhoods.

Please contact me should you have any questions.

Sincerely,

Thomas J. Szadi, Chairman
Board of Trustees
